Admissions to international students are offered annually in the Fall Semester. Some important dates to remember are:

Fall Application Deadline	Last working day of December
Notification of Admission	April
Commencement of Fall Classes	First Monday of September
Fall Semester Final Exams	First week of January
Start of Spring Semester	First Monday of February
Break Between Spring and Fall	Mid June – End August

ALUMNI IMPRESSIONS

Abueigasim Ibrahim Idriss Musa Sudanese Alumnus

"CIIT is home to students from all over the world; with its great academic programs, supportive faculty, staff and social environment, CIIT has given me confidence and taught me to never stop yearning for knowledge. I have become an independent individual and am equipped with the skills necessary to be positive and confident to face the world ahead of me. Thanks CIIT and Thanks Pakistan."

Uche Ugochukwu David Nigerian Alumnus

"One very interesting and important aspect of my stay at CIIT was the sound disposition of all the faculty members I have interacted with, always willing to listen to me and help out in whatever way they can, both academically and on personal basis. I must say my stay at CIIT and in Pakistan has been really worthwhile."

THE CIIT VOYAGE

COMSATS Institute of Information Technology (CIIT) came into existence at the turn of the century (August 2000) as a degree awarding public sector institute. Ever since its emergence CIIT has made an indelible mark on higher education in Pakistan. The salient successes of CIIT are a true reflection of the vision of the institutional leadership. Today CIIT has a qualified faculty corpus with around 1,100 doctoral pool, the highest in any single institution in Pakistan; a student body of more than 35,000 receiving quality education in seven physical campuses and a virtual one dotted across the country. CIIT has also proudly produced more than 41,000 graduates, among them 175 with PhD degrees.

OUR BRAND OF EXCELLENCE

We know you want excellent teaching, a great student experience and above all, a quality degree that opens doors in the market place for you. Our excellence in research, dynamic and interactive teaching, wide range of academic degree programs, vast network of inter-disciplinary research centers, multicultural campuses, along with a strong reputation and world rankings, are just some of the reasons international students flock to COMSATS Institute of Information Technology (CIIT) in Pakistan.

Among 401-500 in QS World University Rankings in Subject of "CS & Information Systems" in 2016

3rd in general category of universities in Pakistan by HEC

Ranked CIIT at 137th among BRICS & Emerging Economies University Rankings 2017

Ranked among the top 250 best universities in the Asian region Top 250

DAILY INDEX

Ranked CIIT 2nd in Pakistan for research output during 2016

SCHOLARSHIPS FOR INTERNATIONAL STUDENTS

As with any dynamic institution, CIIT's long term goal is to promote socio economic development through education, research and outreach. Hence, CIIT as a first step extends well endowed scholarship programs for the international students who are looking for a potential school to pursue further studies. The international Office manages all the scholarships for international students, forms bonds with other institutions and governments to create a platform to study in a different yet compatible environment.

There are two types of scholarships: via international networks; and bi-lateral ones. For details see below:

The CIIT scholarships carry the following subsidies:

- Subsidy on admission charges and tuition fee
- Subsidy on student housing
- Return air ticket (for certain network scholarships)
